Dear Sir,

I would like to take this opportunity to introduce myself. I am Banking Professional with over 20 years of experience in the industry. I have recently left my position with Randolph Savings Bank. Randolph Savings Bank had acquired my long-term employer First Eastern Mortgage. After my successful employment with these institutions I am looking forward to bringing my skills and achievements to your client companies.

Within my employment I also have experience with administration, purchasing and courier work.

I look forward to speaking to you in the near future.

Thank you,

Scott Kalagher
